**New class starting Friday January 11<sup>th</sup> 2019 after school in Newport School Hall!**

Dear Parent/ Guardian & Dancers

I am delighted to say we are opening a new class in Newport NS hall this coming Friday January the 11<sup>th</sup> after school at 2pm – 3pm for junior & senior infants and from 3pm – 4.30pm for first class upwards. Times will be adjusted according to numbers after the first few weeks.

I will be taking the class myself. I am a fully qualified Irish dance teacher, adjudicator and trainer with over 25 years of teaching children and young adults mainly across north Mayo from our base in Crossmolina.

**Fees:** I charge by the school term, €120 a term but families may pay it if they wish in 3 instalments of €40 paid the first week of each month (children allowance week). As Newport is a new class and children need to see what they think, January will be at a reduced rate of €30. Family fee for 3 or more is also given by contacting me directly.

**Class size:** I prefer a steady number that I can give good attention to all rather than a huge number which normally dwindles off after some time. Should the numbers be very big, groups will be divided to insure good quality reliable service and, on some weeks, I will have a second teacher with me.

Once I have this Friday done in the school, I will be able to email all parents/guardians with all our general information. We do compete, but competition is optional. We do a lot of non-competitive events, again all optional.

**Shoes:** At the minute starting off all anyone needs is a pair of runners and a drink. As the class will run straight after school a light snack may also be brought in for the children.

I am looking forward to working with the children in the Newport area. Anyone who would like to contact me direct in advance of Friday my mobile is 087 9364504.

We have all social media pages under both the Moffatt School of Irish Dance & Atlantic Rhythm productions.
