

Dear Parents

It is very regrettable that school will be closed for the next two weeks.

It is important that children continue to do some school work each school day.

I have explained to your child that the following work should be completed daily - official school days only.

All written work -(not maths ) should be completed in your hardback and dated

Read at Home starting on page 64 - one page per day.

Read the page three times. Close the book and write down on a whiteboard or spare paper what you can remember. This is important to challenge yourself to recall what you have read. Then answer the questions in your hardback.

Master your Maths - one page ( two days) per day

Léigh sa Bhaile starting on page 16 - one page per day.

Read aloud twice. Answer the questions in your hardback

Use Briathra- verbs page and write 3 sentences per day

Teanglann.ie is a very good website for irish vocab.

Read a chapter from the novel Holes each day and answer the relevant questions given on a handout.

Design pictures for our keyrings using strong colours- use 45mm x 70mm sized paper

Kind regards

Claire Forrestal
