FOR YOUR ENTERTAINMENT ...

THIS year in the Main Arena we have Heavy Horses, Wildlife Displays and the Dog and Duck show ready to entertain the crowds.

The Heavy Horses will parade around the main arena, really showing off their beauty. The Wildlife Displays will give an up close and hands on experience, for everyone to get involved with. The entertainment guaranteed to make everyone laugh will be the Dog and Duck show - watch as the ducks go through and over obstacles, whilst being herded by a trusty sheep dog.

Main Arena display times are shown alongside the Showground Plan on page 20.

There are fine musical entertainers too at the Bandstand - please see times of performances alongside Showground Plan.

For our young visitors, Circus Whiz will be on hand to delight during the day in their own little arena area. Learn how to juggle balls and clubs, diabolos and devil sticks, master olympic ribbons and cups and balls.

Welcome ...

to the 23rd Axe Vale Festival - and thank you for supporting our work for local good causes

LAST year I opened the Show Guide with the words "Over the years the Show has changed ..." but little did I realise how many more changes this year would bring.

The first and most obvious one you will have noticed is the work we have done to improve access to and from the car parks, which in turn has seen the layout of entrance gates up-dated and, in response to the feedback we gather from our Exhibitors and Visitors, we have taken a new look at the layout of the Showground and made some alterations to give the Show a fresh look and feel.

Furthering our efforts to keep moving with the times, we have recruited some new members to our Committee who will invigorate the Show with their new ideas, many more of which will be incorporated next year - make a note of the date: 23rd and 24th June 2018.

Whilst we have enjoyed welcoming our new colleagues, we are sad that for a number of different reasons we have lost Committee, Life and Honorary Members: a number of old friends, loyal and hard-working colleagues who have

given so much of their time, energy, wisdom and enthusiasm to our charitable work over the years. Our thanks, and those of the many who have benefited from their efforts, are due to them in no small measure.

Our purpose in being is to provide a Show for everyone to enjoy - which we very much hope you will - and a means of raising money which we distribute through charitable grants for the benefit of organisations and individuals locally. We welcome applications which should be addressed to The Axe Vale Festival Ltd, Thomas Whitty House, Silver Street, Axminster EX13 5AH.

And finally ... please remember that everyone you see helping on the Showground today is a volunteer. If you think you would like to help us next year please send us your details - we'd love to hear from you.

Thank you all for your support.
