

Wedding at The Oberoi, Lombok

The Oberoi, Lombok on Medana Beach is indeed the ideal location and setting to arrange your wedding. What could be more romantic than tying the knot with the one you love at an astonishing hideaway on one of the world's most beautiful and captivating islands.

2 (two) different venues are available for your preference to arrange the wedding ceremony:

1. Garden By The Sea

Our elegant garden by the beach is a peaceful open-air setting flanked by towering coconut palms, white parasols, and a grove of pandanus. Here, the Bride and Groom will tread a rose-petal walkway and exchange vows against the magnificent backdrop of the sea, the Gili islands and Lombok's Rinjani volcano.

2. Serenity By The Sea

The casual luxury of The Oberoi, Lombok's pristine white sand beach provides one of the world's most exotic settings for an exchange of rings. A simple altar on the sand fuses Western design with the magic of the island, while we will work some magic of our own to ensure that dreams become reality.
