

Unlocking Children's Rights

Introductory Module

This project is co-funded by the Fundamental Rights and Citizenship
Programme of the European Union

Additional funding has been provided by the Allan and Nesta Ferguson Charitable Trust

Course objectives

○ **Overall objective**

- Increase knowledge and capacity of professionals to protect the rights of children in care, detention and justice systems

○ **Specific Objectives**

- Increase knowledge and capacity on how to communicate with children in an age- and context-appropriate manner, and on child-friendly justice
- Train professionals on how to create and implement child-led communication
- Provide practical tools for eliciting children's views and feelings and to ensure these are taken into account

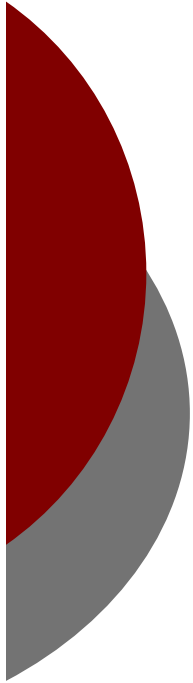

Summary of agenda

- Introductory module
- Module 1: Introduction to Child Rights
- Module 2: Introduction to Child Development and Communication
- Module 3: Communication skills (why, when, where, what, how)
- Module 4: The Child-Friendly Justice Guidelines
- Close and certificates

Materials and resources

- Participant's workbook (one for each module)

- Each other!

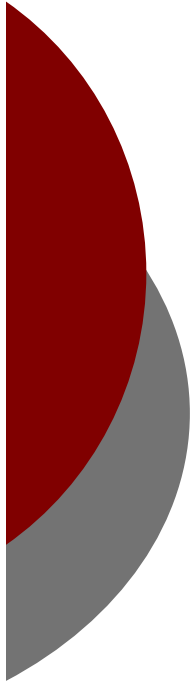

Ground rules exercise

- What do you think our 'ground rules' should be?
- Suggestions and discussion welcome!

Circles of influence

Pre-assessment form

- Tells you and the facilitators what your skill and confidence levels are before the training session
- Will be compared to a post-assessment form, which will help you to reflect on your learning outcomes **AND** help facilitators to assess the impact of the training

My learning experience

- Complete the 'my learning experience' form in the workbook for the Introductory Module
- Purpose of this form:
 - Reflect upon current skills and confidence levels
 - Consider personal qualities and strengths
 - Set a foundation for the learning journey throughout the course
