HONORING  
Wonderfund

## 2018 HONOREE

The Wonderfund was founded specifically to serve children engaged with the Massachusetts Department of Children and Families. Our unique partnership with DCF allows us the exclusive opportunity to work directly with social workers to meet the individual needs of these children.

All of the service we provide funnels through each child's dedicated social worker to ensure the child's confidentiality and safety.

The Wonderfund, in service as the DCF Kids Fund, served children engaged with DCF in over 200 cities and towns across Massachusetts! We see the positive

difference we make immediately in a child's life and we know that this impact can have a life long benefit.

The Wonderfund has the unique ability to give a little extra comfort and care to children involved with DCF in emergency situations. In 2016, we were able to provide emergency aid and transitional necessities to over 2000 children through their DCF social workers. Another approximately 580 children received a new winter coat.

With your help, we were able to provide resources for enrichment activities for nearly 600 children – that means kids got to choose to play sports, make art, dance, go to prom, and get tutoring. Another 255 children got to go to summer camp!

Then through our holiday gift drive, the Wonderfund was able to distribute donated holiday gifts to over 41,000 children!

We know we can have an even bigger impact! And in 2018, with your help, we will!

### The First Lady's Initiative

"All kids deserve to have carefree moments to play, to dream and to grow. And when a child is neglected or abused, those moments are taken away. The Wonderfund gives us an opportunity to give them back."

- First Lady of Massachusetts, Lauren Baker
