

2014 Pianetta Estate Cabernet Sauvignon

Pianetta Vineyards and Winery began with the cultivation of a parcel of land in the Indian Valley area of San Miguel purchased by John Pianetta in 1995. Over the next several years John and his daughter Caitlin have created an estate vineyard and boutique winery to highlight the flavors and bold characteristics in the Southern Monterey and Paso Robles AVAs. All of their wines are both site & vineyard specific in order to help highlight the unique growing areas and present the influence that farming can have on each wine. From grape to the glass, we invite you to enjoy the Pianetta Wines.

WINEMAKER NOTES

Boysenberry and mild pepper on the nose. Bright flavors on the palate of Cherry, nutmeg, and bright fruit capture the palate on this youthful wine, finishing with bright acidity and mild tannins-

VINTAGE NOTES

- Due to the ongoing draught situation here on the Central Coast yields have still been down, averaging 30% less than normal. The growing season did not have any incredible peaks or valleys but we were amazed to bring in all the fruit for harvest within 30 days. Normally we span 45-60 days to bring all of our fruit in. We anticipate a heavier fruit flavor in these wines due to the concentration of flavor in the berries (possibly caused by the lower water year). Overall for our red wines, I think it will be a good year. We have seen a lot of flavor develop with these wines and I do not think they will disappoint.
