ACT/SAT – Written Portion? **Yes** Super Score? **Yes** – They superscore the ACT and SAT, using your highest section test scores across the various dates. The initial decision is not made based on ACT and SAT scores. Not one student from North Fulton schools last year was neither admitted nor denied based on test scores.

What are the average AP requirements? **7-13 AP/DE** "Students that excel inside and outside the class do better at Tech"

Extra-Curricular Activities – What does the school look for? **GT looks at involvement in each activity: clubs, sports, work, community involvement, etc. They aren't interested in smart, but lazy students. They want students who can think on their feet such as students who debate. They want students who demonstrate impact, service, & longevity. Georgia Tech's goal is to improve the human condition. What have you done to help?**

Most popular majors at this school: **Engineering, Computer & Information Technologies, Business, Architecture**
35 Majors

Does chosen major affect decision process? **No. While they do not enroll students per major, they do expect to see that your high school course selection and activities demonstrate interest in the major/college you have indicated on the application**

Study Abroad Programs? **Summer Programs, Semester-Long Programs, Foreign Language Programs? Yes. 52% of undergraduates have an international experience.**

Internships / Co-Op Opportunities? **Yes. Three out of four of students have jobs through internships and co-ops. Choose internships if you want to gain experience that leads to a job but don't want to commit to 1 company. Choose co-op if you want to work for the same company every other semester. Co-Ops and interns earn an average of \$8,000-\$10,000 per semester.**

Research Opportunities? **Yes. 40% of Undergraduates participate in research. "Create the box. Think outside the box. Then decide if you need the box."**

Special successes the school is known for: **Over 90% of students had job offers after graduation; average starting salary of \$70,500.**

Ranked #7 for Public Universities; sustained top 10 public university ranking for past 17 years.

All Engineering Majors are ranked in top 10 (US News & World Reports)

Scholarships: **Are there any specific to our area or for Georgia students? Hope, Zell Miller, and others based on major Scholarships within the programs once you are in the program. There are 25 scholarships for GA students. However, they are for the upper 1%. Extremely difficult to earn.**

When are scholarship deadlines? **Oct 15 for GA Tech scholarships**

Tuition & Fees	\$12,424	\$33,020
Total (w/ Housing/Meals, etc) Per Year (Two Semesters)	\$28,368	\$48,964

Applications

When are application deadlines? **Early action** (non-binding) Oct 15 - Results: accepted, denied, or deferred.

Regular Decision: Jan 1 In some cases an applicant may receive “summer” admission, take 2 classes the summer before your freshman year. Legacies may get conditional admittance – go to another school for 1 year, do well, then transfer to GT. You can only apply for fall semester. GT may admit you for summer. They want you, but either they are full or they believe a summer will help you catch up.

Is an essay required for all decision options? **Yes.** Your essay serves as your “interview.” This is your time to brag. Give specific details on activities as well as leadership roles in these activities. Write an essay that the admissions officer can read and really get to know you. GT requires 2 additional short answer 250 word essays

Are letters of Recommendation required? **Yes** - 1 from counselor, 1 from teacher, will not accept more. They use recommendations for background information or to figure out hiccups in transcripts or in the application.

Is an in-person interview required or suggested? **No**

What does the school look for in each “round” of decisions? **Classes, rigor, GPA, activities, test scores** “What classes have you taken based on what classes are offered.” Each school is different.

You need to be doing something in your chosen field so you have an idea if you can do it or actually enjoy it. ie, “I want to be an engineer, so I joined the robotics club in high school.” Don’t wait ‘til senior year to get involved, it will be too late.

Does the school use the Common App? **Yes** How many applicants are received last year? **35,000**

How much is the application fee? **\$75** Are there quotas for applicant acceptance? **usually take 2,800 freshman**
