

Social Emotional Learning & the *Second Step* Program

An Informative, One-Day Workshop for Early Learning, Pre-School, Primary and Middle School teachers examining the research on Social Emotional Learning, how it relates to the Australian National Curriculum Framework and unpacking the *Second Step* Program.

Why choose *Second Step*?

The school-wide *Second Step* evidence-based program is designed to:

Social Emotional Learning concepts provide an extra dimension to education, focusing on improving co-operation, communication, and decision making. In a world where emotional intelligence is critical for lifelong happiness, successful careers, and healthier relationships, SEL gives students a framework for developing these skills.

\$1 invested in SEL programming produces an \$11 return
