NM1	Fantasy		M Right	Mermaid laid on a shelf of ice at the fish monger's, looking cold and fightened, together with other dead fish and packed (cling wrap + styrofoam plate) fish
NM2	Inspire		M Left	Someone is on the unicorn's back but we cannot see the passenger clearly because the passenger is slumped over in a bent position. Either hurt/dead/unconscious. the unicorn has its head bent down in despair and is crying.

NM3	Discover		M Right	Kid tries to open a locked door in a dark room, atmosphere is creepy and oppressive
NM4	Triumph		M Up	A monster, manifested from a crayon scribbling, towering over a girl sucked into a whirlpool of paper (drawings and doodles), messy background of overturned desk and stationery strewn across the floor
NM5	Growth		M Left	Small girl looking scared in an urban setting of lipstick skyscrapers and make-up buildings, women with heavy made up faces walking around
NM6	Courage		M Down	Girl crouching in the corner of the room, covering ears closing eyes, 'ghosts' surrounding her and being aggressive (referencing inner voices/ mental illnesses)
NM7	Treat		M Up	Sushi ingredients being trapped/ tied down onto the rice with seaweed, struggling to get out. Dreamer is one of the sushi ingredients
NM8	Love		M Down	net hanging from tree, boy is alone and ensnared in the net. he is reaching out his hand towards us to ask for help. many evil creatures looking at the boy menacingly in the background. the setting is dark and grim
NM9	Triumph	Growth	M Down	kid is cowering on the ground, hands covering his face/head. many small creatures curled up near his feet for protection. they are in a forest but all around the trees are almost completely dead and the entire environment is in a state of creeping decay.
NM10	Fantasy	Courage	M Down	1st person perspective - slimy and gross looking alien in doctor's lab coat with other aliens behind in nurse outfit. doctor is trying to force feed the dreamer a spoonful of medicine
NM11	Fantasy	Growth	M Left	Giant terrifying babies towering over buildings, adults hide behind buildings and in corners, some covering ears

NM12	Discover	Love	M Left	Person tied up and bound on conveyor belt leading into an opening of a large building. Building looks organic, with many eyes like slits and pores that ooze slime
NM13	Courage	Treat	M Up	Person as a butterfly caught in a hungry-looking huge venus fly trap with huge tongue and salivating
NM14	Triumph	Inspire	M Up	Menacing clown is in the process of performing to an audience. the kids are obviously not enjoying the performance and look in shock. the creatures that the clowns are working with looks mistreated and abused.
NM15	Treat	Love	M Right	Boy peering through the window (dark and cold outside) and sees a happy family of four surrounding the table for a christmas meal, father giving daughter a present (warm inside)
NM16	Inspire	Discover	M Right	dreamer is facing us, seated and bound to something like a dentist chair. look of terror on face. a masked character is standing behind the dreamer. the position of both characters suggests the masked character is "operating" on the dreamers head, like brain surgery. Metaphor for the masked character is trying to extract and remove happy memories
