

# Northwest Connecticut Substance Abuse and Mental Health Resource Guide

Compiled by the Litchfield County Opiate Task Force

Mission: The Litchfield County Opiate Task Force is a community Collaborative working to reduce the harm caused by the opiate epidemic in our region.

Description: The Litchfield Opiate Task Force has more than 60 member organizations in Litchfield County. Members include the CT Department of Mental Health and Addiction Services, Beacon Health, CT Department of Children and Families, CT probation and parole, members of the faith based community, business owners, legislators, city and town leaders, Community Health and Wellness, police, local substance abuse and mental health treatment providers, people in recovery and loved ones of those struggling with addiction.

\* The Litchfield County Opiate Task Force strives to keep this list as accurate as possible. However, for the most up to date information, we recommend contacting the agency directly. For additions or corrections to this list, please email [john@authenticrecovery.org](mailto:john@authenticrecovery.org).

## Don't know where to start?

An important initiative of the Litchfield County Opiate Task Force is the provision of FREE confidential, individualized consultation and screening for opioid substance use disorders, which includes information and resources on treatments to assist with recovery. This case management service is provided by Charlotte
