

KEEP OUT OF THE REACH OF CHILDREN

AWAKEN®

A plant nutrient seed dressing solution, designed to improve vigour, quality, production and stress tolerance in maize and sweetcorn.

Contains ACA, a patented agricultural crop additive, and other plant nutrients

READ LABEL COMPLETELY BEFORE USE

WARNING: Maybe harmful if swallowed, inhaled or absorbed through the skin. May cause eye and skin irritation. Contains ammonia. Avoid breathing vapors

HANDLING PRECAUTIONS

PERSONAL PROTECTION: When mixing or applying, avoid contact with skin and eyes. Wear full protective clothing, gloves and goggles. Do not eat or drink while using. Wash hands and face before meals and after work. Wash protective clothing after work.

STORAGE: Store in original container tightly closed and in a locked, dry, cool, well ventilated area. KEEP CONTAINER TIGHTLY CLOSED WHEN NOT IN USE. LOSS OF AMMONIA WILL CAUSE PRODUCT TO SOLIDIFY.

SHELF LIFE: When stored appropriately this product should show no significant degradation for 2 years from the date of manufacture. Contact your supplier for further information about the use of any product that is older than this.

SPILLAGE: Move non-essential people from the area. Wear appropriate protective clothing and prevent material from entering waterways. Absorb spills with inert material and place in waste containers. Sweep up solids without creating dust. Wash area with water and absorb with further inert material. Dispose of waste safely (such as to a suitable landfill).

PRODUCT DISPOSAL: Dispose of unwanted product by use by another operator strictly in accordance with label directions.

CONTAINER DISPOSAL: Triple rinse container and add rinsate to spray tank. Dispose of cleaned container at your local AGRECOVERY container collection site.

SAFETY DATA SHEET: Additional information is provided in the SDS available from your supplier, or www.agrisource.co.nz

FIRST AID: If swallowed DO NOT induce vomiting. For advice, contact the National Poisons Centre 0800 Poison (0800764 766) or a doctor immediately. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If concentrate is splashed in the eyes, flush with running water immediately.

EMERGENCY RESPONSE: In a transport emergency call 111, Police or Fire Brigade

GENERAL INFORMATION

Awaken is a extremely seed safe multi-purpose plant nutrient additive, containing Nitrogen (in three forms), Potash, trace elements and ACA.

When used as a supplement to a regular fertiliser program, it can improve crop yields. It encourages increased tillering/root development of the young seedling especially under cold conditions. It will not by itself provide all the nutrients needed by the crop.

Awaken can be applied on its own, blended or applied sequentially with traditional fungicide and/or insecticide seed treatments by traditional seed treating equipment.

DIRECTIONS FOR USE

Maize and sweetcorn: Apply 800mL of **Awaken** per 100kg of seed.

CONDITIONS OF SUPPLY

All goods supplied by us are produced under rigid quality control procedures which assure the purchaser that at the time of sale they are physically suitable for use in the manner stated. However, to the extent permitted by law, buyers and/or users of the goods accept that neither the manufacturer, AgriSource (2000) Ltd as distributor, nor any other distributor have any liability or responsibility whatsoever for any loss, damage or injury whether in contract or tort, whether direct, indirect or consequential howsoever arising in connection with the supply of these goods.
