APPROVED HANDLER

This product must be under the personal control of an approved handler or secured.

WARNING

Presumed to cause liver damage from repeated oral exposure at high doses. Do not breathe mist or spray.

ECOTOXIC

Very Toxic to aquatic organisms with long-lasting effects. Avoid contamination of any water supply with product or empty container.

HANDLING PRECAUTIONS

Personal Protection: When mixing or applying, avoid contact with skin and eyes. Wear full protective clothing, gloves and goggles. Do not eat or drink while using. Wash hands and face before meals and after work. Wash protective clothing after work.

Storage: Store in original container tightly closed and in a locked, dry, cool, well ventilated area, away from feed, seeds and foodstuffs. Avoid temperatures below 0°C and above 35°C. Storage of quantities exceeding 100L require bunding and signage. See the PRODUCT SAFETY CARD for further information. When stored appropriately this product should show no significant degradation for 2 years from date of manufacture. Contact your supplier for further information about the use of any product that is older than this.

Spillage: Wear appropriate protective clothing and prevent material from entering waterways. Absorb spills with inert material and place in waste containers. Sweep up solids without creating dust. Wash area with water and absorb with further inert material. Dispose of waste safely (such as to a suitable landfill).

Product Disposal: Ensure unwanted product is used by another operator strictly in accordance with label directions.

Container Disposal: Triple rinse container and add rinsate to spray tank. Dispose of cleaned container at your local AGRECOVERY container collection point. Do not burn. Do not use container for any other purpose.

FIRST AID

If swallowed DO NOT induce vomiting, give water to dilute. For advice, contact the National Poisons Centre 0800 Poison (0800 764 766) or a doctor immediately. Take to hospital without delay. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. DO NOT SCRUB THE SKIN. If concentrate is splashed in the eyes, flush with running water for at least 15 minutes.

EMERGENCY RESPONSE

In a transport emergency call 111, Police or Fire Brigade

GENERAL INFORMATION

T-Kote when used as a tuber seed treatment, provides control of potato Dry Rot (*Fusarium* spp.) and Gangrene (*Phoma exigua*) on stored seed and table potatoes.

It is an offence to use this product on animals.

IMPORTANT - RESISTANCE MANAGEMENT

T-Kote contains the

GROUP	1	FUNGICIDE
-------	---	-----------

 thiabendazole. Resistance to pesticides can develop from excessive use. To minimise this risk, avoid using this fungicide exclusively all season, avoid unnecessary spraying and endeavour to alternate with fungicides from other groups within the crop and in subsequent seasons for a sprayed paddock. Use strictly in accordance with label instructions. Maintain good cultural practices.

DIRECTIONS FOR USE

MIXING

Prior to mixing or decanting ensure the container is well shaken to re-suspend the formulation.

Fill the mixing tank $\frac{3}{4}$ full with water, and with agitation running add the required amount of T-Kote, ensuring a uniform suspension, fill the tank to the correct level.

Ensure the mixture is kept under continuous agitation while using, and that the mixture is fully in suspension after a stoppage

It is an offence for users of this product to cause residues exceeding the relevant MRL in the Food Notice: Maximum Residue Levels for Agricultural Compounds.

USE RATES

Mix 1 litre of T-Kote in 22 litres of water - apply 2 litres of this mixture per tonne of tubers.

Apply as a fine mist to dampen tubers, but DO NOT over wet or tubers will need to be dried before storage.

Ensure that complete coverage of the tubers is obtained by adequate rotation of the tubers on the treatment line/conveyor.

CONDITIONS OF SUPPLY

All goods supplied by us are produced under rigid quality control procedures which assure the purchaser that at the time of sale they are physically suitable for use in the manner stated. However, to the extent permitted by law, buyers and/or users of the goods accept that neither the manufacturer, Agri Solutions Ltd as registrant, nor any other distributor have any liability or responsibility whatsoever for any loss, damage or injury whether in contract or tort, whether direct, indirect or consequential howsoever arising in connection with the supply of these goods.
