Welcome to the Prepaid Financial Services Authentication Service

The internet has become one of the most convenient ways for consumers to shop, as more and more retailers are offering goods and services online. Our top priority is to provide you with a safe and secure way to shop online, conveniently, with your MasterCard.

[Register Card](#)

MasterCard SecureCode is a service that helps prevent unauthorized use of your card online with an extra layer of security that prevents fraudulent purchases at the point of checkout, before funds can be removed from your account. Start protecting your card today in a few easy steps by clicking the Register Card link below. Once your card is registered you can immediately start enjoying the convenience of online shopping, with the peace of mind provided by MasterCard SecureCode.

Create Your Password

Once you register your card in the service you will be asked to create your own password. Every time you shop online you will be prompted to provide your password as part of the checkout process. This will protect your card from fraudulent use and purchases will only be authorised once your password has been entered into the MasterCard SecureCode screen.

What is 3-D Secure?

MasterCard SecureCode services offer maximum protection when you use your card for online shopping

- Question 5:** 'What was your childhood nickname?' with a dropdown menu and an input field.

A 'Next' button is located at the bottom of the form.

If you are having problems activating your account please contact Prepaid Financial Services at +442071250321 for assistance.

At the bottom of the page, there is a footer with 'Prepaid Financial Services +442071250321' on the left and 'Privacy Policy | Help' on the right.

1.6. Create user name and password.

1.6.1. User Name – 6-20 alphanumeric characters only. No spaces allowed.

1.6.2. Password – 6-15 characters. At least one letter and one number. Cannot be the same as username or personal message. Special characters are allowed (!"#\$%&^&_).

The screenshot shows the registration page for Prepaid Financial Services MasterCard SecureCode. The page title is "Prepaid Financial Services MasterCard SecureCode cardholder registration". The current step is "Create login credentials (step 4 of 4)". The instructions are: "Please enter the following information and click the 'Next' button." There are three input fields: "Username", "Password", and "Confirm Password". Each field has a small text box below it with instructions: "Your username must be between 6 and 20 characters and must contain at least one letter and one number.", "Your password must be between 6 and 15 characters and must contain at least one uppercase letter, one lowercase letter, one number and one special character. Please create a password that you will be able to remember for online shopping in the future.", and "To confirm your password re-enter the password you just entered." There is a checkbox for "I agree to the Terms & Conditions" and a "Next" button. At the bottom, there is a note: "If you are having problems activating your account please contact Prepaid Financial Services at +442071250321 for assistance." The page footer includes "Prepaid Financial Services" and "Privacy Policy | Help".

1.7. Tick the box to accept the Terms & Conditions.

1.8. During the activation process a cardholder will be allowed three attempts to fail validation of his details, after that the card will be suspended.

1.9. In order to release the suspension a cardholder needs to contact the customer support team

1.10. If successful, a cardholder will be forwarded to Cardholder Enrollment Acknowledgement page

The screenshot shows the registration page for Prepaid Financial Services MasterCard SecureCode. The page title is "Prepaid Financial Services MasterCard SecureCode cardholder registration". The current step is "Congratulations!". The instructions are: "You have successfully created the password that you will use to authenticate that you are our genuine customer when you use your card to shop online at participating merchant sites." There are two "REMEMBER:" sections. The first says: "When you shop online at a participating merchant you will be asked to supply your password during the checkout process. Before entering your password always look for your Personal Message on the screen. That way you can be sure you are providing your password to us." The second says: "You can change your Personal Message and your password using the Profile Management option available through this same link from your banks website. On the Welcome Page click on the Profile Management option. You will be asked to enter your username and password before you will be able to change your password or Personal Message." The page footer includes "Prepaid Financial Services +442071250321 Monday-Friday" and "Privacy Policy | Help". There is also a language dropdown menu set to "English".
