

FinTech Consortium announces the launch of Clove Financial (Clove) - A digital bank solution provider

21 April 2020, Singapore –

FinTech Consortium is thrilled to announce the launch of Clove Financial (Clove) – a digital bank solution provider offering a range of tech-driven digital banking products and services to innovative, entrepreneurial and scalable businesses.

The cloud native platform challenges the conventional business banking experience and through its partnerships with best of breed FinTech players provides businesses with an array of products and solutions including:

- Bank Accounts
- Corporate Cards
- Lending
- Remittance
- Wealth Management
- Insurance

Clove's Interactive dashboard leverages API-first architecture allowing third-parties to connect easily to create an open banking ecosystem to ensure businesses have access to the best business products and practices.

Clove is especially designed for companies across the following business life cycles:

- Startups
- Early Stage
- Growth Stage
- Late Stage

Since Clove also offers customizable white-label solutions, we are pleased to have the opportunity to discuss with you the potential to create and launch your institution's very own Digital Bank.

About Clove Financial (Clove)

Founded in 2018, Clove Financial is a digital bank solution provider offering a range of tech-driven digital banking solutions to innovative, entrepreneurial and scalable businesses. Clove Financial ensures security, agility, flexibility, and affordability for companies looking to expand their businesses successfully.
