#### Route Card – Notes on completion

- Both sides of the Adventurous Journey Route Cards **MUST** be completed for each day of your journey.
- Groups should consist of between 4 to 7 members.
- For each leg involving journeying enter route details in columns (b) to (l).
- When non-journeying activity (exploring) is planned at the break between legs, leave columns (c) to (g) blank, enter the estimated time required to complete the activity in column (i), complete column (i) and enter brief details of the activity in column (k).
- If exploring is to be carried out during a leg, enter the route details in column (b) to (g), add the time planned for the activity to the rest and meal times in column (h), and complete columns (i) to (l). Enter brief details of the activity after the route description in column (k)
- The journeying total in column (f) must be at least half the minimum required hours of planned activity.
