

Veterans Legacy Initiative™

May 30, 2014

Dear Richard:

There are those who do things so the light will shine on them. They make a lot of noise, and accomplish little.

There are those who enable others so the light will shine on others. They make no noise, and accomplish a lot.

You, Richard, are an enabler, and you accomplish a lot.

Through your efforts and the support of the Screaming Eagles, the Veterans Legacy Initiative continues to provide luncheons, fishing trips and camaraderie for World War II veterans.

This small token of our appreciation is to let you know you are a welcome friend of all veterans.

Kevin Hunt
Executive Director
