

HANDLING SEMINAR WITH PAULA GOSS

NOVEMBER 10-11, 2018

Paula comes from a competitive horseback riding background which led very easily into dog agility. She has been involved in competitive agility for more than 25 years. She began with her Labrador and Border Collie, and currently competes with her two Border Collies, Tessie and Cade. She is ranked in NADAC's Top 10, earned numerous NATCHs, over 20 platinum speed star awards, and attended numerous championships winning with her border collies, Split in 2006 and 2007; Trae in 2009, 2011, and 2013; and Cade in 2015. Trae and Paula are also one of the teams in the country to have earned the prestigious MOD SQUAD award.

Although NADAC is her principal venue of choice, Paula also actively competes in AKC as well. Her students are consistently in NADAC's Top 10 as well as having won Championships and various breed specialties.

Paula is incredibly motivational and her experience and positive attitude makes her a pleasure to work with. There is so much that contributes to the success of a performance team and her seminars break down processes to find out what works best for each individual team. Paula teaches seminars across the US and Canada as well as being a NADAC Clinician.

Seminars will be held at 4946 W. Fallen Leaf Lane, Phoenix, AZ. 85310 (on artificial turf).

Open to dogs with some agility training and competing in Novice level (or getting ready to compete in Novice) up through Elite/Excellent/Masters level and bonus line dogs. We want to ensure that everyone gets plenty of work appropriate to their level of experience, so, depending on the sign-ups, we may divide you into 2 groups (less experienced dogs/handlers and more experienced dogs/handlers) and work each group for ½ day each day or even create two 1 day seminars (although you can audit when your group isn't working). If you are looking to improve your understanding and handling of various types of courses, including Chances/FAST, this seminar is for you.

PRICES: \$250 for working slot for 2 day seminar; \$150 per day if 1 day; AUDIT PRICE - \$75 per day. Working slots are limited.

Complete and mail the registration form on the next page or register online at
