This trial is also a Regional for the NADAC 2020 Championships

NADAC Regional Info

Regionals are a competition across four rounds of regular to be used for the purpose of giving the winners a fast track to NADAC Championships. Winners of each division will also receive a 'bye' into the finals round of Championships, regardless of their performance in the previous 7 rounds at the Championship event.

- 1) Divisions will be based upon your dogs wither height, and whether they are competing this weekend as a Veteran or Standard dog. The 'bye' will apply to your future Championships entry, regardless of whether it matches your regional win division. For this year we are only splitting the competition at Regionals into Three groups
Elite-Standard, Elite-Veteran. And Pre-Elite. Which is the Open level for this weekend. And then split again by height, which is Miniature, Small, Medium, Large and X-Large
- 2) Scoring is time + faults, deducted from a base number of 150 points. This is the same as Championships
- 3) Scoring is based on four rounds of Regular held across Saturday and Sunday.
- 4) Teams who are wishing to qualify for the Stakes divisions can do so as well. Dogs who successfully complete 2 Bonus runs from the Super Stakes line in Regular Regular with a DRI of over 100 will get an invite to the Super Stakes division. 2 Bonus runs from the Silver Stakes line will receive invites to the Silver Stakes division. 2 Bonus runs from the Starter Stakes line will receive an invite to the Starter Stakes division. Runs will be judged as a normal weekend and must be in flow for the entirety of the run. If you wish for these runs to count towards bonuses in your point record you will need to record and submit as normal.
- 5) If your division does not have any competing dogs, so you are the only entry, then in order for you to receive your invite you must get a minimum of 325 points overall over the weekend. If there is more than one dog then it's strictly based off highest scores of the dogs in your division.
