

## 2019 SUMMER FUN RUN SCHEDULE

As usual, JCAC will be hosting Summer Fun Runs this summer at the Cholla Patch (25200 N. 15th Ave.), on Tuesday nights, as well as some “mini seminars” (if time permits) will be scheduled later. Unless noted otherwise below, the Summer Fun Runs start at 7:15 p.m. and end about 9:30 p.m. or whenever everyone has run twice (could be more if time warrants). Also, we will run 2 rings simultaneously; with a course for Intermediate/Advanced levels and Novice will have the NADAC Beginner class exercises to practice or other exercises to work on. Also, the Novice exercise can be done by any JCAC student who has completed the Beginner I class, unless otherwise noted. Only students that have finished Intermediate I and above will be able to run on the Advanced course (those in Intermediate I and above) There should be time to run the course twice. If there is time, you may be able to run again, but this will depend upon attendance.

You can come for some of the Fun Runs, or all of the Fun Runs. If you desire, you can pay for all 10 Tuesday nights at a discount rate. The cost is as follows: \$8 per night per dog for Jumping Chollas members, \$10 per night per dog for non-members (instructors run free). If you pay for all the nights on the first night, the summer package price is \$60 for members, \$80 for non-members.

The Thursday night mini-seminars (if scheduled) will start at 7:00 p.m. and go to about 9:30 p.m. Price will be \$10 per dog per mini-seminar. These seminars are open to all JCAC students who have completed at least the Foundation class, unless otherwise noted.

Also, these fun runs are for JCAC students only. Admission for non-JCAC students will be determined on a case by case basis, primarily depending upon space/parking availability. Contact the Yvette CookCook at [nragilek9s@gmail.com](mailto:nragilek9s@gmail.com), if you want to attend any of the summer events and are not currently a JCAC student.
