

1129 THUMB TURN DISC

- Ideal to achieve greater spacing between the thumb turn and the handle (knob or lever)
 - 3 3/8" spacing when using the 9000/9100, 8500/8600, 8700/8800 Series Locks
- Traditionally used with old Yale style deadbolts (336, 338)

IMPORTANT: When ordering, please specify lock being used.
(1129-9100/8800, 1129-8500, 1129-300)
