Painting - Street Markings

Stencil Paint Masking Vinyl Film

is a high quality and versatile stencil film for use on either rigid or flexible surfaces. Perfect for pavement or indoor flooring.

The 100 micron translucent matt film gives clear and crisp edge definition, whilst the low tack adhesive can be removed without leaving any adhesive residue.

we can supply the stencil + paint you do the rest

DIY

You can apply permanent demarcations outside your store entrance to ensure the correct social distancing is adhered to by customers queuing to enter.
