ST. EDWARD HIGH SCHOOL
St. Edward High School, a Catholic, college preparatory school in the Holy Cross tradition, educates the minds and hearts of young men to have the competence to see and the courage to act as men of faith.

Our mission is to build a foundation of faith for every student in the Holy Cross tradition; strive for excellence in everything we do, from academics to co-curriculars; build lifelong relationships for our students with their classmates, teachers and the entire St. Edward community; and, emphasize the importance of a Christ-like commitment to servant leadership.

SCHOOL AND COMMUNITY
Founded in 1949 by the Brothers of Holy Cross, St. Edward High School is a private Catholic institution of approximately 970 young men in grades nine through twelve, with a senior class of 235. Our location in a richly diverse, inner-ring suburb of Cleveland affords the students tremendous resources and opportunities for growth, learning, and service. St. Edward High School students hail from a wide swath of Northeastern Ohio, often from at least 7 counties, some from a distance of more than forty miles. The majority of students come from Catholic elementary schools with others from public and private elementary, junior high, and middle schools, 211 schools in all. The student body includes students of all races, faiths, and economic strata. Roughly 25% are first generation, and 24% students of color.

TEACHING FACULTY AND ACCREDITATION
The faculty consists of 91 teachers, all of whom exceed the professional standards set by the Ohio Department of Education and AdvanceED. Seventy percent hold graduate degrees. The student/teacher ratio is 10:1. St. Edward High School is chartered as a First Grade High School by the Ohio Department of Education. It is accredited by the Ohio Catholic Schools Accrediting Association (OCSAA) as well as by AdvanceED (formerly the North Central Association of Colleges and Schools).

INTERNATIONAL BACCALAUREATE
St. Edward High School is an authorized IB World School, one of the world’s most respected pre-university courses of study. The IB Diploma Programme includes external assessments of academic work, independent research culminating in an Extended Essay (EE) of 10 single-spaced pages on the subject, as well as co-curricular requirements (CAS) in the arts (Creativity), sports (Action), and service (Service). In addition to their 6 chosen courses, students take a Theory of Knowledge (TOK) course as well as Theology class each semester. External exam assessments cap this holistic program at the end of senior year. IB Diplomas are recognized globally as the most rigorous course of study.

PRE-ENGINEERING AND ENTREPRENEURSHIP PROGRAMS
In addition to traditional laboratory sciences, St. Edward High School offers a rigorous, innovative elective academic program in Pre-engineering that introduces students to key engineering applications and philosophies in preparation for success at the university level.

The Layden Entrepreneurship Program was founded in 2008 to promote entrepreneurial competencies in the young men of St. Edward High School. The twenty-week course for seniors is supplemented by guest instructors from the St. Edward community and the Greater Cleveland area. The Layden Prize is an endowed scholarship totaling $20,000 or more annually to be awarded to winners of the annual business planning competition, the culmination of the entrepreneurship course.

SERVICE REQUIREMENTS
Students are required to complete four service experiences both freshman and sophomore years, and they must submit reflections on each for their theology classes. During junior and senior years, students identify and execute their own service learning projects.

Graduation Requirements for the Class of 2017
Total of 24 credits required
- English: 4.00 credits
- Social Studies: 3.00 credits
- Mathematics: 3.00 credits
- Science: 3.50 credits
- Language: Completion of Level 3
- Religious Education: 4.00 credits
- Fine Arts: 0.50 credit
- Health: 0.50 credit
- Physical Education: 0.50 credit or exemption
- Completion of community service requirements & senior project

Class Rank
It is the policy of St. Edward High School not to rank students.

Grading System
St. Edward High School uses the letter grading system. The lowest indication of passing work is a mark of D- (60%). A student receives credit on the basis of the final semester grade. All final grades, whether passing or failing, are recorded. All final grades are used for computing the grade point average except those given for physical education, remedial summer school courses, and any class not taken at St. Edward. Students receive a weighted grade for Honors, AP, and IB courses.
