

LAMB CUTLETS WITH SAVOURY SIDES  
(SPRING MENU)

## spring has arrived...

FIKA (PRONOUNCED FEE-KA)  
IS AN IMPORTANT SWEDISH  
CUSTOM. IT'S A SPECIAL TIME  
THAT IS SET ASIDE FOR A  
RELAXED GATHERING WITH  
FRIENDS OVER A CUP OF  
COFFEE OR TEA AND  
A FEW NIBBLES.  
  
SKA VI TA EN FIKA NU?

The arrival of the Swedish spring is marked by the sun's warm rays peeking through the clouds just enough to provide some warmth to the crisp clean air. The longer, warmer days draw Swedes into the outdoors.

Outdoor activities abound, especially in cities like Stockholm. Thanks to Sweden's *allemansrätt* laws (essentially, that the land belongs to the people and they should be able to roam freely on it) you can ramble pretty much anywhere your heart desires.

And after an active day out, Swedes retreat into cosy cafes for a fika with loved ones. After 6 months of warm hearty winter meals, spring meals take on a lighter note, with clean flavours of tender meats and freshly sprouted herbs and vegetables.

## konditori

• ARTISAN BAKES •  
by fika swedish cafe and bistro

Konditori is a Swedish bakery at heart that specialises in hand-made breads and pastries using the best ingredients possible. We leave out the nasty stuff like artificial flavours, colouring and preservatives, so that you can enjoy the heartwarming, simple flavours in our European cakes and breads. We have taken a back-to-basics approach, where all our bakes are lovingly crafted from scratch, then gently warmed in a stone oven we brought from Sweden.

We invite you to savour our amazing hand-made baguettes, croissants, danishes and wide range of cakes, pastries and artisan breads. But you can't leave without tasting the stars of Konditori - our Swedish Semla bun and Princess Cake. Best savoured with eyes shut.

Please visit us at 33 Bussorah Street, it's a 3-minute stroll away from our Beach Road outlet!
