

18th Annual Scientific Congress Asia Pacific Association of Medical Toxicology

4-7 November 2019 | PUTRAJAYA, MALAYSIA

About

Patients of poisoning incidents are among the most frequent admissions in the Hospital Emergency Department. Poisoning management requires special practical skills and experience. Lack of knowledge and experience to perform diagnostic and therapeutic procedures can thwart efforts to save lives.

The Asia Pacific Association of Medical Toxicology's (APAMT) annual scientific congress offers valuable opportunities for health professionals, especially clinical toxicologists, to enhance their knowledge on the many aspects of poisoning: the effects, treatment and prevention.

APAMT 2019 will highlight new approaches, future trends and challenges in medical toxicology, especially in the Asia Pacific region, through lectures, presentations and scholarly discussions. As in all its previous assemblies, APAMT 2019 will endeavour to engage, inspire and enrich.

Topics

- Medical Management of Poisoning
- Drugs: Dose to Poison
- Current Challenges in Pesticide Poisoning
- Natural Toxin: Plants, Animals, Food, Insects, Marine Life
- Mental Health and Poisoning Cases
- Analytical Toxicology and Risk Assessment
- Environmental, Occupational Hazards and Risk Assessment
- IT: Addressing Toxicology Issues Innovatively

Who Should Attend?

- Clinical Toxicologists
- Poison Information Specialists
- Researchers
- Scientists
- Pharmacists
- Paramedics
- Medical Post-Graduate Students
- Healthcare Professionals

Pre-Congress Workshops

4 November 2019

WORKSHOP 1 8:00am-2:00pm

Clinical Management of Snakebite Envenoming & Venom Research in SEA: Moving Forward

WORKSHOP 2 8:00am-5:00pm

Chemical, Biological, Radiological and Nuclear (CBRN)

Fees

EARLY BIRD REGISTRATION (6 May 2019–31 August 2019)

| | |
|---------------------------------------|------------|
| APAMT current (2019) Financial member | RM925.00 |
| APAMT Life Member /EAPCCT/AACT Member | RM1,050.00 |
| Non-member | RM1,155.00 |

REGISTRATION AFTER 31 August 2019 to 22 October 2019

| | |
|---|------------|
| APAMT current (2019) Financial member | RM1,155.00 |
| APAMT Life Member/EAPCCT/AACT Member | RM1,260.00 |
| Non-member | RM1,365.00 |
| Post-Graduate Student (Limited to 20 seats) | RM735.00 |
| Day Registration (5/6/7 Nov 2019) | RM735.00 |

Pre-Congress

| | |
|--|----------|
| Workshop 1: Clinical Management of Snakebite Envenoming & Venom Research in SEA: Moving Forward | RM170.00 |
| Workshop 2: Chemical, Biological, Radiological and Nuclear (CBRN) | RM300.00 |

Important Dates

| | |
|---------------------------------------|-----------------|
| Registration Opens | 6 May 2019 |
| Abstract Submission Opens | 6 May 2019 |
| Last Date for Abstract Submission | 15 August 2019 |
| Last Date for Early-Bird Registration | 31 August 2019 |
| All Registrations Close | 22 October 2019 |

Organizers

Malaysia National Poison Centre, Universiti Sains Malaysia

Malaysian Society on Toxinology

College of Emergency Physicians (Academy of Medicine Malaysia)
