# 1.3 Bonus Learning Opportunity

Name: _____

Multiplying decimals

Find each product in the table below. Lightly cross out the box containing the product. After you have found all ten products, write the remaining letters in the boxes in the order they appear to solve the riddle.

1) $0.3 \times 0.4$

2) $0.8 \times 0.2$

3) $0.3 \bullet 0.04$

4) $0.08(0.2)$

5) $0.7(4)$

6) $80 \times 0.4$

7) $0.9$ of $20$

8) $1.2 \times 0.3$

9) $0.03(1.5)$

10) $1.2(0.012)$

**What do you call monkeys who love to eat french fries?**
