CAIRO PHOTO WEEK
اسبوع القاهرة للصورة

NOVEMBER 22 - 30, 2018 | DOWNTOWN CAIRO

Cairo Photo Week is a week of events organized by Photopia Cairo in the heart of Downtown Cairo that offers a wide range of photography, videography & image making education by experts in the region.

Ismaelia Walking Tour Downtown Present

In recent decades a new epicenter has emerged around Maidan Tahrir and Maidan Talaat Harb. As passageways and cafes became the haunt of the new generation, nightclubs, bars and restaurants were rediscovered and revitalized, while art galleries and performance spaces sprung up as new life was injected into the heart of Downtown.
