

COLOR WARS DODGEBALL TOURNAMENT INFORMATION

- Color Wars will begin at 9:30am on Friday, June 26th
- We will do Henderson Hangout and announce Members of the Week
- We will break out into teams and you will track how many members dressed up in your color
- We will recognize best dressed staff and members
- We will become “new teams” as listed below
- This is a Round Robin type tournament
- We will review that teams must work together in order to get to the finals and play each other
- The gym will be split in half. yellows and oranges (ages 6-9) on side one and blues and greens (ages 10 and up) on side two
 - Please assign one staff to go with Y/O and the other to go with B/G
- I will hopefully have refs but if not, you are expected to be fair and consistent
- When members are out, they must sit down and not interfere
- After 5 minutes of play the team with the most members still standing will be named the winner.
 - This is the easiest way to determine the winner. Manage your teams. If there is a drastic difference in number of members playing, please let me know or recruit members from a team not playing. Please keep in mind there are several challenges that benefit smaller teams (i.e. quiet, working together, etc.) so having a few extra members on a team is not a big deal to me.
- The final games will be played at the end in front of the whole Club.
- Please let me know if you have any questions!
- Points will be awarded as follows:

Sportsmanship	Teamwork	Cheering/Support	Quiet	Champion	2 nd Place
