Furry Heroes:

Staff members shared stories about 9/11 rescue dogs and we had our pet therapy dogs join us! They were thrilled and learned a lot.

You can also show some google images

The Freedom Quilt:

Members used felt squares, sharpies, puff paint, and more to create a quilt signifying what 9/11 means to them.

What is a Hero?:

Members will learn the roles of heroes during 9/11 and write letters to real life heroes.

Members of a Community Help each other:

Members will learn the role of community in taking care of one another. They will participate in a “thank you” circle.

We used chart paper and posted pictures of leaders in the community. This includes, government officials, police officers, teachers, Club staff, business leaders, etc. We talked about each one and members wrote, on the chart paper, words that represented that person or a short thank you message. We then delivered those to our local heroes!
