GAMES ROOM

CANDY CANE CATCH: Supplies Needed: [Christmas tinsel](#), chairs, and [candy canes](#). Tie a piece of ribbon or twine from one post or chair to another. Players must stand on top of the chairs and try to be the first to drop a candy cane from the chair onto the ribbon and get it to stay there. Play until the first player gets a candy cane to catch on the ribbon or see who can get the most in a minute.

SNOWMAN SHAKE: Supplies Needed: [White ping pong balls](#) or ball ornaments, [tissue boxes](#), duct tape, and [panty hose](#). Decorate white ping pong balls to look like snowman faces. Fill an empty tissue box with the snowmen ping pong balls and tape the tissue box (or use a velcro belt glued to the box) to someone's backside and the player has to shake all of the snowmen out of the tissue box before the time runs out. Or if you'd rather not decorate like snowmen, use ornaments instead.

LET IT SNOW: Supplies Needed: [Plastic spoons](#), cups, [cotton balls](#), and bowls. Give each player a plastic spoon and a cup full of cotton balls. On the other side of the room, place an empty bowl for each player. Players must race to get 10 cotton balls from the cup to the bowl on the other side of the room, using just the plastic spoon. The plastic spoon must be held in the player's mouth. If they drop a cotton ball, they should leave it and go back and get another one.
