

Your Must Have Go-To Amazing Guide to the Corn Maze Field Trip

1. First thing
 - a. When we meet in the gym, listen to instructions from Amber carefully. They will change slightly from the schedule. Everyone will meet in the gym and groups will be dismissed to snack by Amber. Also, please pay attention to the Snack DJ listed on the schedule.
2. Magic Number
 - a. When you are in the gym, determine what your magic number is. This is how many people you have in your group.
3. Respond on Walkies
 - a. There will be a lot going on. Please have your earpiece and respond on the walkies to the BEST of your ability.
4. Schedule
 - a. We will do our best to follow the schedule in your folder, but be ready to adapt.
5. Parents Sign Out
 - a. If a parent signs out his or her member, they must sign your roster. Also, if you are not sure who the parent is, do not send a kid home with that parent. Ask Lauren.
6. Roll at every station before and after
 - a. This might seem tedious but it will be tedious when you are in jail for losing a kid at the corn maze.
7. Remind kids they are representing the Club
 - a. If kids are acting like fools, you need to fix it. We are the first Club in Springfield to take a group of kids to Rutledge and our reputation proceeds us. Kids can be excited but just don't.
8. Bathroom Breaks
 - a. Kids will have to use the bathroom. They MUST be escorted by a staff. Take group breaks if needed.
9. Be Aware of Everything
 - a. This is the most fun kiddos will have at the Club. Please make this a memorable experience, but your #1 job is to supervise and ensure the safety of the members.
10. Have Fun!
 - a. We will be returning as a staff for adult fun after the corn maze.
