

SUMMER OF WEE SKELFS

in pictures &
numbers!*

*Some are based on our best guess!

175

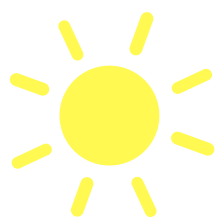

tired
kids

10

gallons of
mud

1

box of
toilet rolls

We had more sunshine than
usual - and plenty of rain...

But at least the changing
weather made the mud much
more fun!

The nettles were
sometimes annoying
- but the raspberries
were tasty...

YUM!

We couldn't keep up with the
amount of tree climbing, games,
crafts and - or course- toasted
marshmallows!

AND WE MANAGED 2,436 HOURS OF OUTDOOR PLAY!!

Wee Skelfs runs throughout the school holidays (except
the winter break). We encourage free play and exploration
of the woods. Find out more online:
