

RAY PAUL MASSAUN BIO

Ray Paul Massaun is an artist who brings life to the streets with the realness of the words he speaks. By way of the streets of Oak Cliff (Dallas), TX. Hustling' to live and survive is all he knows. Ray created quite a buzz by reaching the billboard charts with his first single "I'm Gettin Money". With this nationwide attention Ray has been able to do songs and perform with Rick Ross, B.o.B., Pimp C, Corey Mo, Glasses Malone, DJ Greg Street, Birdman, T.Payne, Red Cafe, Jody Breeze, Young Dro, and Gorilla Zoe to name a few.

After spending some time incarcerated, Ray is back in the studio and more determined better focused on his music and being successful. Since being released he has been featured on several artist singles, and has partnered with several clothing/apparel brands, and is the official spokesperson for several local business in Dallas/Ft Worth.

“ It is an incredible feeling to be back in the studio creating music and giving all my fans what they have been missing ”, says Ray Paul Massaun.

Ray Paul Massaun's hot new single, "Flippin", featuring Spliff Wayne on the hook, just dropped Summer 2019. The single encompasses that YG Ray Paul signature street sound and is already receiving major accolades from DJs and his fans. The love he has been receiving since his return has been overwhelming. Ray Paul Massaun is promising more music on the way and is planning to release a new album scheduled to drop first quarter 2020.
