

FAT YUNGINN BIO

Young and talented with an undeniable hit sound, Jakeldrick Strain, professionally known as **Fat Yunginn**, was born and raised in a small community, Oak Hallow, just east of Dallas, TX. From a place known as Pleasant Grove – dubbed “The Greedy Groove”, Fat Yunginn has always had a passion for music, hustling, and making money. He began pursuing his music career in high school, initially just playing around, but ultimately led to Fat Yunginn discovering his signature sound as a music creator. The middle child of four, he was raised by a single mother, because his father, an up-and-coming rapper, was murdered. Only an adolescent at the time, Fat Yunginn inherited his dad’s talent and passion for music now following in his footsteps.

Dropping his first single in 2016, **“Sack Up”**, with the help of his team, strip club DJs, strippers, and the streets, Fat Yunginn recalls masses of people just quickly gravitating towards his music and unique sound. Since then, he has continued to buzz non-stop around his region and beyond; this seems to fuel his motivational fire to keep entertaining and creating explosive music.

Having come a long ways from just being a dream and rapping with his three brothers, the **GBMG** click. Fat Yunginn, now a father, an entrepreneur, professional music creator, entertainer, and apparel designer, with his **Sack Up Clothing Line**, has aspirations of real estate investing and touring around the world. Looking forward to an illustrious music career hoping one day to collaborate with other major artists like Lil Boosie and Future, who he credits to have inspired him musically, Fat Yunginn has a strong desire to win as an entertainer and to put on for his city.

“No one has become successful in the music business where I am from and I will be the first to make it from Oak Hallow”, says Fat Yunginn.

Dropping Summer 2019, Fat Yunginn will release his anticipated mixtape, **“Sack Season”**. He boasts that the streets are going to really enjoy this body of work. A twelve-track mixtape, **“Sack Season”** can be described as catchy club motivation music with singles, **“Never Runnin Out”**, featuring Euro Gotit out of Atlanta (production by Timmy Da Hitman), **“Show My Ass”** featuring Yella Beezy from Dallas (production by Cambeats), and, **“No Choice”**, featuring Rylo Rodriguez from Mobile (production by Drum Dummie).
