A motion was made and seconded to accept the minutes of the April 5th meeting as written. The vote was in favor with one abstention. A motion was made and seconded to accept the minutes of the April 12th meeting as written. The motion passed unanimously.

Chairman Scialabba reported that the Winter Roads overrun was currently approximately 63K, not the figure given at our last meeting. That figure was the total spent on Winter Roads to date including what was appropriated at the annual Town Meeting.

The Committee and Select Board Chair Laurel Scialabba agreed to discuss each account and vote at the end of our meeting whether to recommend or not recommend each one.

The Committee, Laurel and Bob went over every account and discussed where we may have differences, what they were and where we could agree. We deferred some for more information and discussion at our next meeting. No vote was taken at this meeting.

Bob Graves, Town Administrator, said the Warrant should be complete by April 28, 2018 and sent to Legal for their review.

The next meeting of this Committee is Thursday, April 26, 2018 at 7pm in the Town Hall Community Room. This will be a joint meeting with the Select Board to go over their budget as proposed and discuss the items deferred. It is anticipated that the Finance Committee will vote at this meeting. A motion was made and seconded to adjourn at 10:43 pm. The motion passed unanimously.

Respectfully submitted,
Mary A. Rice, Secretary
