

# Visiting with Children

Our Christmas Fayre gets busy at times. Sundays and early evenings are slightly quieter, when many of our coach passengers have departed.

The evening is a magical time with the twinkling lights of the Abbey Gardens and the colours of the children's funfair spinning around.

## Parent and baby rooms

All of our toilets and some of our mobile toilets provide changing facilities. There are baby rooms in Boots, JoJomama, the Library, Muffin Break and Angel Hill toilets. These all display breastfeeding friendly stickers.

## Lost children

To make our event as safe as possible, we are providing free wristbands, which you can write your child's name and contact details on.

Wristbands are available at the Apex, Moyses Hall Museum and the Cathedral Tourist Information Point on Angel Hill.
