

VOLUNTEER TO BUILD BEDS

We're gearing up to be part of one of the greatest achievements in history - Bunks Across America! SHP's goal is to break a Guinness Book World Record and do good simultaneously. We're aiming to build 200 bunk beds in Littleton, with a total of 2,500 bunk beds (or 5,000 beds) on June 15th, 2019 across the nation. We can use all the help we can get!

Bunks Across America is a day for communities nationwide to get together to build beds for children who don't have beds to sleep in. This day should stand as a revelation to those who don't know there is a problem and a beacon of hope to those who don't know there is a solution.
