

# Joining a Webex Meeting for Studnets

1

Your teacher will send you an invitation to join a Webex Meeting. This could be sent in various ways: email, Google Classroom, Canvas, Calendar, etc. Click either the Join button or the URL link sent to you.

2

A new window will open. Instead of downloading the software, click "Join from your browser."

You're now ready to join the meeting;  however, if you were not given the option to "Join from your browser" go to Step 3.

3

When not given the option to "Join from your browser," login to [gcisd.webex.com](https://gcisd.webex.com) w/ your GCISD email/password & start the meeting. Finally, choose "Join from your browser."
