

Trees With A Mission

A benefit for Community Health Ministry

*Kick off to Christmas
November 11-18th*

Exciting changes to Trees with a Mission—Kick off to Christmas!

We are having a week long event in November that will start with Kids Kick off to Christmas on the 11th and will culminate with a fun, formal evening in downtown Wamego on the 18th. Start the evening with a glass of mulled wine from the Oz Winery from 5:00 to 6:00. Move on to the Iron Clad to view and bid on the beautiful Christmas trees, live music and enjoy some holiday treats. Then on to the Columbian for a glorious time at the Gatsby Gala at 7:30.

We are inviting businesses, organizations and individuals to decorate a tree (any size, including table top), wreath or centerpiece to be donated to CHM, who in turn will display it and sell it through a silent auction. The purchaser will have the choice of keeping the tree/wreath/centerpiece or donating it to a family in need.

Set up will be at IRON CLAD on Friday the 10th (or by arrangement).

Prizes for People's favorite and Staff favorite.
