

Desk Extension

with integrated wrist/palm rest and mouse mat

Ergonomic benefit

- + Integrated wrist/palm rest

Other benefits

- + Additional desk space is gained since the Desk Extension moves the keyboard and mouse away from the desk. It can also be attached to fill desk corners.
- + Quick and easy attachment to desks - no tools necessary
- + Attachable to all typical desktop thicknesses, as well as to desks with frames beneath the edges – attachment bows go under the frame.

Additional desk space is gained since the Desk Extension moves the keyboard and mouse away from the desk

Environment-friendly materials

- + The wooden board used under the padding is made of FSC certified material. The Forest Stewardship Council certificate means that wood has been sourced in an environmentally-friendly, socially responsible and economically viable manner.
- + Steel of attachment bows is fully recyclable. Powder coating of attachment bows emits zero or near zero VOCs (volatile organic compounds)

Desk Extension can also be used to fill desk corners
