How to Measure · Cómo medir

FOR OUT-OF-TOWN GENTLEMEN · ASK A FRIEND TO HELP; THOMAS CAN GUIDE YOU ON A VIDEO CALL

BEFORE YOU START *Antes de empezar*

- Wear a fitted T-shirt or dress shirt and dress pants. No jacket, no sweater.
- Take off your belt and empty your pockets.
- Use a soft cloth tape, never a metal one. Keep it flat and level.
- Stand tall and relaxed, breathe normally. Don't puff or suck in.
- Have a friend measure your chest, overarm, sleeves and outseam; reaching around yourself reads short.

THE TEN STEPS *Los diez pasos*

1 HEIGHT & WEIGHT
Stand against a wall if you're not sure of your height.

2 NECK
Around the base of the neck, just below the Adam's apple, where a collar sits. Slip one finger under the tape. Write it to the ½ inch.

3 SHIRT SLEEVE
Center of the back of the neck, over the top of the shoulder, down to the wrist bone. Arm relaxed with a slight bend. Round up.

4 CHEST
Arms out like a T; tape under the arms around the fullest part of the chest; then arms down. Snug, not tight. Check it's level across the back. Round up.

5 OVERARM
Same height as the chest, but around both arms too, arms relaxed at your sides. Usually about 7" more than the chest. Round up.

6 COAT SLEEVE
From the underarm, along the inside of the arm, to the wrist. Take it twice.

7 WAIST
Where dress pants sit: just below the belly button, a little higher than jeans. Your jean size isn't your tux size.

8 SEAT
Feet together; around the fullest part of the seat and hips.

9 OUTSEAM
Top of the waist, down the outside of the leg, to the top of the shoe sole, with shoes on. A touch short is better than long.

10 SHOES
Your size and width, Medium or Wide. No half sizes above 12.

THEN *Después*

- Measure everything a second time. If two readings differ by more than ¼", take a third and use the middle one.
- Write every number on the card, take a clear photo of it, and text it to (240) 213-4301.
- Thomas checks every card and confirms each size with our wholesaler before we order.

Boys and ring bearers: a parent stays and helps; measure him as close to the deadline as you can, since boys grow.
