Greetings from James Dean – Chairperson 40th NJAS

I would like to welcome all participating artists, friends of art, dignitaries, and sponsors to the 40th Annual Northern Juried Art Show here in The Pas. For 40 years, artists from all corners of northern Manitoba have celebrated artistic creativity in this way. Unique northern art is an inspiration to artists and all who come to see the eclectic display.

An event like this is only possible with great volunteers, and so I express my appreciation to our dedicated committee and all those who helped in so many ways. Your commitment is nothing less than passionate. Thank you.

The response to “Call of the North”, this year’s NJAS theme, has been tremendous. More than 100 artists (nearly 50 students, our future artists) have entered over 200 pieces of artwork. We hope you will enjoy the accomplishments of our Northern Artists. Happy 40th Anniversary NJAS!
