**Pieces per Box**

2

**Pallets per Container**

22

## WEIGHT

**Weight per Box (Lbs)**

84.00 lbs

**Weight per Pallet (Lbs)**

2,535.00

## NOTES

Since there are variations in all fired ceramic, porcelain and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions.

Floor applications expected to be exposed to these conditions require extra caution in product selection. For additional information email to "Factors to Consider" at: [info@theflooringdistrict.com](mailto:info@theflooringdistrict.com).

Random visuals enhance the natural beauty of this product. To achieve optimal results, all tile should be selected from multiple cartons and shading and graphic arrangement planned prior to installation. Special consideration needs to be given when installing tiles greater than 15 inches. Please refer to [www.TheFlooringDistrict.com](http://www.TheFlooringDistrict.com) for more information. Special care should be taken when grouting with dark pigmented colors. A grout release is recommended to prevent finely powdered pigments from lodging in the pores of the surface. Use of a latex modified thin-set is recommended for installation.
