Message from President

Dear AFGA members

I am pleased to send you the issue of AFGA newsletter for 2010/2011.

It has been a stable year since our new term for the Executive Committee and board of advisers started May 2010.

For the past year we launched a number of activities, including seminars which have been well received by our members. In addition, we will continue to promote our association to attract more members, in particular the recent graduates from the School of Accounting and Finance.

Come join our activities and bring more alumni to support us. You can also share with us your ideas and comments on AFGA's activities by sending email to us.

We are going to host our AGM and annual dinner on 28 May 2011. Details will be sent out in due course. I look forward to meeting you at these events.

With warmest regards

Shirley SL Wong

This year is the 30th anniversary of the Accounting and Finance Society and annual celebration will be held for this memorable event. Since 1981, the cabinets of the Accounting and Finance Society have been serving the members wholeheartedly and their contributions are praised. Without the contributions of the past cabinets, the society will not be so successful today. Therefore, we hope to make use of this opportunity to gather all the past cabinets to review and praise their achievements. And we also hope that the spirit of the Accounting and Finance Society can be inherited everlastingly by every cabinet.
