

My FIRST Scholarship Checklist

Before Starting Applications

- Organized my general contact information
- Made a list of my most important extracurricular activities/jobs
- Wrote down my ACT/SAT scores and GPA
- Created a resume (or adapted my college resume)
- Made a list/spreadsheet of the applications I am eligible for
 - For all of the colleges I am applying to
 - For all of the organization scholarships I qualify for
- Asked at least one mentor for a recommendation letter
 - I have thanked said mentor

Apply, Apply, Apply

- Outlined each of the essays that I am writing
- Made a rough draft of the essays
- Had someone review my essays with me
- Revised my essays
- Filled out and submitted my applications by the deadline

While I Wait

- Checked in about the recommendation letter submission
- Enjoy robotics build season and competitions
