

CLEAN ENERGY NH

Your Voice in All Energy Matters

MUNICIPAL MEMBERSHIP

MEMBERSHIP DUES: \$250.00

Membership with CENH is the best way to support clean energy.

Clean Energy NH is dedicated to empowering New Hampshire cities and towns so they may enrich their communities with the benefits of renewable energy and energy efficiency.

Municipal Membership Benefits:

- Neutral expertise, technical assistance, training for energy project execution:
 - Incorporating energy considerations into zoning, ordinances, and master plans;
 - Energy benchmarking with Portfolio Manager;
 - Energy efficiency incentives and financing for new construction, building retrofits, LED streetlight conversions, etc. (NHSaves);
 - Guidance on Group Net Metering, Power Purchase Agreements (PPAs), and other renewable energy procurement models for solar, biomass, hydro-electric power, etc.;
 - Training in Solarize/Weatherize public outreach campaigns;
 - Electric Vehicle (EV) fleet and charging infrastructure deployment;
 - Personalized technical assistance for any and all energy projects.
- Two-way policy communication:
 - Nonpartisan expertise on local, legislative, and regulatory energy policies;
 - Empowering municipalities and energy committees with a voice in state energy policy issues.
- Networking, story telling, publicity, and media relations.
- Two (2) Complimentary registrations to the annual Local Energy Solutions Conference
- Certificate to display in town or city offices that proclaims the community is a supporter of clean energy in NH

Become a member:

Simply complete the [online membership portal](#) or send a check made payable to "Clean Energy NH" to our mailing address at right.

Contact Henry Herndon, Director of Local Solutions, with any questions: henry@cleanenergynh.org. Memberships at the Municipal level are valid for **one calendar year** after receipt of dues. Renewal reminders are sent via e-mail in January.
