

Family Planning for men and women

BadgerCare Plus

Family Planning Only Services is a program for **men and women**

It helps you get supplies and services to prevent pregnancy and get care related to family planning.

1. Who qualifies?

You can qualify if **all** are true:

- U.S. citizen, refugee, or asylee. Also other legal immigrants (if over age 18, must live in the U.S. 5 years or more)
- Monthly income equal or less than \$3,075.30
Only count your own income before taxes
- Any reproductive age (including those under 18)

Even if you have private health insurance, you can **still** get Family Planning Only Services.

All your information is private:

- You can have your test results and card mailed to another address

2. What services are covered?

The following services are covered **when you have a family planning doctor visit:**

Men	Women
<ul style="list-style-type: none">• Condoms• Sexual health check-up• Tests and treatment for STDs or sexually transmitted infections• Procedure to prevent future pregnancy: Vasectomy	<ul style="list-style-type: none">• Birth control services and supplies• Natural family planning supplies• Sexual health checkup including Pap test• Surgery to tie tubes (tubal ligation)• Tests and treatment for STDs or sexually transmitted infections
