## Add Ons and Extras

We have many add ons for you to choose from all at affordable prices. You can add as many or as few as you would like. If there is something extra that you want, but don't see here, we will try and find a vendor for you..

### Dance Floor

We have three sizes for you to choose from, 12 x12, 14 x 14, and 16 x 16. Prices range from \$100-\$150.

### Bartender

If you are having alcohol, you are required to use one of our licensed bartenders. For your whole event, the price is \$125 flat fee.

### Selfie Stand

This option is perfect if you want a photo booth, but don't want to pay the high price. We have a 7 ft tall curtain, in either black, navy, or white, with props available for use. Price is \$50 for your whole event.

### Extra Event Time

Don't want the party to stop? We get it. That's why we offer extra event time. You can pay prior to your event or during your event if you decide you need more time. For small events, the price is \$75/hour and for Large events and weddings, the price is \$250/hour.

### Extra Set-Up Time

When you book your event you automatically get one hour of set-up time, but sometimes that just isn't enough. For \$75/hour, you get one extra hour of set up which is normally more than enough.

### Linens

Table linens rent for \$10.00 per table and .30 cents per napkin. We have black and white table linens in house, but can get any color you would like from one of our vendors.

### Moving

We have tons of places for your guests to sit in our small venue area, but sometimes you just want a blank canvas. For flat rate of \$250, our staff will waive their magic wands and clear the furniture out of your way for your event.

### Sound System

DJ's can cost hundreds, if not thousands of dollars sometimes. If you want to be in control of what tunes get played we have an option for you. For \$100, you can be in control and use our sound system. We have our main sound in the large venue or we have a portable one for the small venue.

### Projectors

We have two large projectors in our large venue for you to play movies, home videos, display pictures, and more. This add-on costs \$50 for your whole event.
