From The Chairman

Welcome to Karori Park for the latest round of the 2018 Central League. Today the Wharfies welcome fellow promoted club Havelock North Wanderers.

There is no hiding from the fact that the first few rounds have been a tough baptism for both of us. It seems like yesterday that we hosted Havelock for the epic 2nd leg of the promotion play-off.

We can rest assured that Rupert, Jock, [Chris] and Mikey have been working hard this week with the squad, no doubt leveraging the great team spirit we have all seen for ourselves in the last few weeks.

The Reserves have got off to a cracking start under Rich and Ryan, which has been marked by some terrific football and goals. This team includes a number of players who have come through our junior and youth system, which only bodes well for the future.

A quick update on other matters of Club interest:

There have been significant steps forward in the Junior and Youth grades. The creation of the Swifts talent Centre within the Club, the commencement of the year round programming, and the opening of the Terawhiti Turf here at Karori Park as a home of junior football and Swifts.

Junior Club Captain, David Perks announced the appointment this week of Pedro Dias as a full time junior and youth coach for the Club

and Swifts. Pedro comes highly credentialed as a coach and played professionally in Portugal from 1989 to 1995. Pedro arrives in Wellington on 9 May.

We are also awaiting confirmation from Wellington City Council that the Turf will be officially named the Wilf Glover Terawhiti Turf. A wonderful recognition for a most deserving club stalwart. Waterside Karori AFC wholeheartedly supports this proposal -Wilf is universally liked and respected in our community.

Wilf has coached and guided many Karori junior footballers, including those who have gone on to represent New Zealand at age-grade levels and players who achieved full international status.

Please enjoy the afternoon and be sure to drop in to the Clubrooms after the match to enjoy some Wharfies hospitality. Personally I will be joining my Wharfies Dreamers mates in the heat of a Masters 1 derby at the Seatoun village green.

See you at the Clubbies, up the Wharf!

Antony Buick-Constable (Abes)
Chairman

Coach's Comment

Welcome to Chris and the squad from Havelock, hope your travels are safe. Just looking at results it's been a tough start to the season for both squads.

I'm sure that you're working just as hard as us to keep moving forward. Obviously I wasn't involved in the playoff last year but I'm sure that will be a factor today for those who played in it.

We would like to extend a massive thank you to all the volunteers who put in all the extra work that is most often not seen by players and coaches, we appreciate you! The club couldn't operate without your efforts. It would be remiss of me to ignore the extra hand that players and coaches across all teams lend where possible.

There has been good progress since we got together in late January however the results so far haven't reflected the hard work and good periods we've had. We're confident that things are moving in the right direction, we just need to keep working hard, pushing forward and focusing on the task in front of us.

"Before enlightenment, chop wood, carry water. After enlightenment, chop wood, carry water."

The above is Zen Buddhist quote and teaches that many of us get caught up in the end results of what we're working toward or the way things will be when we finally achieve something. Achieving your version of "enlightenment" is not an endpoint in and of itself. You'll need to do the same things after in order to keep moving forward. The way a person does one thing is the way they do everything, and whether you agree with it or not, the message is clear. If you can't take on the simple tasks as best as you can, how could you conquer the big things?

Whatever your work might be, bring all of yourself to it. When you are fully present, you may find that your labour is no longer a burden. Wood is chopped. Water is carried. Life happens.

No matter how menial the task may seem, focusing on the present work at hand will help you develop a habit of always doing your best. Once you finally achieve "enlightenment" you still must chop wood and carry water. Do your work, do it well, and when you find success, do it again.

It's been fantastic to see young Karori players holding their own in this league. Part of what we wanted to do this season was retain the young players from last season that were capable of performing at CL level, bring players back to the club that still had plenty of years to contribute and bring through players from the academy. This has been the big success so far.

As some of you may have seen the Swifts Academy have managed to secure Pedro Dias to lead the development of players in the 7-12 age bracket, it's a real coup for the club and bodes well for the future. Bem vinda Pedro!

Catch you in the clubrooms! #OneWharf

Player Profile

10 Kyung Dong Kim

Sponsored By: Will Calder
Ray White.

Position: Forward

Place of Birth: Daegu, South Korea

Previous Clubs: Cheongju University FC

Age: 22 Years

Favourite player?

It's got to be Lionel Messi.

Most memorable game?

Definitely Barca vs Levante in La Liga because I went to Spain and I watched the game. It was amazing.

Favourite football moment?

I think when I came here.

Best goal you've scored?

When I played in my first Uni game I scored with five minutes left and we won the game.

How many seasons at Karori?

This is my first season

If you could meet any footballer?

Take my ball if you can (wtf?)

Biggest influences on your career?

The 'tika taka' style of Barcelona. Korean football taught me the importance of a strong work ethic and always move forward!

Wharfies Trivia

1. How many people in total play the beautiful game of football around the world?

- A/ 20 million**
- B/ 265 million**
- C/ 3.1 billion**

2. Who did New Zealand face in a sudden death match to qualify for the '82 World Cup?

- A/ Kuwait**
- B/ Australia**
- C/ Saudi Arabia**

3. Who is the current captian of New Zealand's national women's team the Football Ferns?

- A/ Rosie White**
- B/ Ali Riley**
- C/ Sarah Gregorius**

4. Which team were champions of the 2010 FIFA World Cup, beating Netherlands in the final?

- A/ Brazil**
- B/ Italy**
- C/ Spain**

5. Which is a nickname for Kiwi footballer Winston Reid's team, West Ham United?

- A/ The Gunners**
- B/ The Irons**
- C/ The Villains**

6. What is the name of New Zealand Football's new player registration system?

- A/ Halo**
- B/ Comet**
- C/ Meteor**

7. Who is the Tecnical Director of New Zealand Football?

- A/ Fred De Jong**
- B/ Andy Boyens**
- C/ Andreas Heraf**

8. Which Auckland City Player win the inaugural Steve Sumner award in the Premiership final?

- A/ Emiliano Tade**
- B/ Callum McCowatt**
- C/ Reid Drake**

Reserve's Report

**Both teams went into the game unbeaten,
with the chance to continue the run of form
we have shown in our first two matches.**

A win would keep us in the leading pack at the top of the table, and we had the chance to put a small bump in Victoria University's season.

It was a tough weekend as the reserve's side fell to a 4-1 defeat at home to Victoria University.

University had a great start and scored two goals within the first 10 minutes, catching us completely off guard and we hadn't yet got ourselves in the game.

We nearly pulled one back when Rogier Kerbus went close with only the goal keeper to beat, but the keep was there to keep their two goal deficit.

However, University continued to dominate and deservedly extended their two goal deficit to three, and they saw themselves heading into the break with a 3-0 lead away from home.

At half time we made two substitutions and discussed that a change of attitude was required if we were to get something from the game. We needed to be more competitive both with and without the ball, and the next goal was crucial. If we were to pull a goal back early in the second half, then it would be game on at 3-1.

We played with more intensity and dominated the half, doing exactly as we had discussed

at the interval. Lewis Miller got us back in the game in the 69th minute, scoring after good build up play from Tom Withnall, Cole Hosking-Berge and Connor Boyd. It was time to push on and go for another, then Victoria University would start feeling the pressure. After the goal, University sat back and soaked up the pressure, playing more defensively than they had been in the first half. We nearly scored a second when Connor Boyd was put through on goal - unfortunately it was not to be.

Late in the game University scored their fourth which put the game beyond our reach, and claimed all three points for the away side - taking them back to the top of the table.

We will regroup and push forward this weekend as we take on Brooklyn Northern United at Wakefield Park.

Player points vs Stokes Valley:

George Hercus - 3 points;
Sean Beresford - 2 points;
Tom Withnall - 1 point
