**SYMBIOTIC AQUAPONIC TO TAKE SPECIAL MEASURES IN RESPONSE TO
COVID-19**

TALIHINA, Okla. (April 2, 2020) – Symbiotic Aquaponic is taking special measures to ensure the well-being of employees, customers, and the community during the current COVID-19 crisis.

Employees are working remotely to carry out day-to-day functions. Essential operations, such as system installation, are following [CDC guidelines](#) of social distancing, personal protective equipment, and sanitation to protect employees and customers.

“Our top priority is health - the health of our employees, the health of our customers, and the health of the communities we serve,” CEO Kaben Smallwood said. “We will work with everyone to find personalized solutions during this time.”

As an essential business, Symbiotic is complying with all local guidelines and directives from the state of Oklahoma.

Support for current customers is always available over the phone, by [email](#), or [online](#). As this situation unfolds, follow [social media](#) for the latest news and updates.
